Benjamin (Zihao) Sun

PROFESSIONAL CV | AI RESEARCH • TEACHING • PROJECT DELIVERY

Rydalmere, NSW | 0493 302 417 | sun.zihao@uts.edu.au

SELECTED CONTRIBUTIONS

AI research. Three papers: first-author WebArxiv accepted at AJCAI 2026, plus two manuscripts under review at NAACL 2027 SRW and ACE 2027.

Preprint arxiv.org/abs/2507.00938

Applied marine AI. Develop human-in-the-loop image-classification tools and scientist-facing workflows with IMAS and UTS AAII.

Platform squidle.org

TEACHING AND RESEARCH COMMUNICATION

Academic Tutor

June 2024 - Present

University of Technology Sydney

- Rated the **top tutor by students in all three subjects taught**, based on student feedback.
- Delivered **50+ sessions** in mathematical statistics, Python programming and computing research; taught classes of up to **50 students**.
- Develop interactive slides, quizzes and worked examples that support problem-solving and peer learning.

Data Arena Presenter

March 2026 - Present

University of Technology Sydney

- Present immersive **3D data visualisations and research demonstrations** to academic, industry and international audiences.
- Translate complex AI and data concepts into accessible explanations and facilitate discussion.

Facility dataarena.net

PROJECT COORDINATION AND STUDENT SUPPORT

IT PMO Assistant Administrator

July 2024 - March 2025

UTS IT Division

- Maintained **Excel and Power BI dashboards**, project reporting and Jira/Miro timelines; coordinated requests with project managers across finance, administration, resourcing and HR.
- Processed project creation and stage changes, resolved ServiceNow requests and conducted **Project Connect audits**.

First Year Success Advisor

July 2024 - January 2026

University of Technology Sydney

- Provided individual course planning and subject-selection guidance, helping students from diverse backgrounds navigate university and support services.

RESEARCH PAPERS

WebArxiv: A Reproducible Benchmark for Evaluating Multimodal Web Agents on arXiv Tasks

Zihao Sun, Zijing Shi and Ling Chen. **AJCAI 2026 — accepted; first author.**

Preprint arxiv.org/abs/2507.00938

From Language to Country to Valence: A Multilingual Audit of Stereotype Bias Across LLMs

Zihao Sun. NAACL 2027 Student Research Workshop; submitted; under review.

Preprint arxiv.org/abs/2611.02585

From Source-Based Quizzes to Reteaching Decisions: A Practitioner Guide to ClassQuest

Zihao Sun. ACE 2027 practitioner paper; submitted; under review.

Preprint arxiv.org/abs/2611.02590

RESEARCH EXPERIENCE

WebArxiv

February 2025 - May 2026

UTS Australian Artificial Intelligence Institute (AAII)

- Developed a benchmark and web-agent components; the study evaluates **10 systems across 510 tasks** on arXiv.

Multilingual bias evaluation

June 2024 - April 2025

UTS AAII and Eindhoven University of Technology

- Built collection, cleaning, filtering and evaluation workflows for a study of **12,000 examples across four languages**.

Squidle+ marine image analysis

March 2026 - Present

Institute for Marine and Antarctic Studies (IMAS) and UTS AAII

- Develop tools for reviewing ecological imagery, filtering hard substrates and supporting marine species detection.

EDUCATION AND DISTINCTIONS

Bachelor of Computing Science (Honours)

Expected June 2027

University of Technology Sydney

Major in Artificial Intelligence and Data Analytics.

WAM 92.62; GPA 7.00/7.00. High Distinctions in all 16 completed graded subjects (June 2026 record).

Dean's List 2024 and 2025.

Selected marks: Computing Science Studio 2 100; AI/Analytics Capstone 98; Natural Language Processing 93.

TECHNICAL AND PROFESSIONAL SKILLS

Programming and data Python, MATLAB, R, C++, Pandas, scikit-learn, OpenCV, Excel and Power BI.

Delivery tools Jira, Miro, ServiceNow, SharePoint, Project Connect and Microsoft Teams.

Communication Technical presentations, workshop facilitation, mentoring and stakeholder reporting.

ADDITIONAL QUALIFICATIONS

Advanced Diploma in Mathematics — National University of Singapore.

Certificate of Data Analysis — Institute of Data, UTS.

SM1 merit scholarship — Singapore.
